Oregon Timber Frame Appoints UK Director of Sales and Marketing

Oregon Timber Frame is pleased to announce that Elaine Wilson has been appointed as the company's UK Director of Sales and Marketing.

Elaine has been with Oregon for over a decade as their Scottish, and laterally UK Sales Manager. She brings extensive experience of timber engineering and construction, having worked in the industry for some 20 years.

Managing Director, Mr Neil Anderson comments:

"We are delighted to appoint Elaine as our UK Director of Sales and Marketing. Her depth of knowledge and her listening style make her the ideal person to deliver the Oregon message of safe, sustainable, cost-effective timber frame solutions more widely to UK housebuilders."

Speaking about her appointment, Elaine Wilson said:

"I am very much looking forward to my new role within Oregon Timber Frame, one of the UK's largest independent timber frame manufacturers, and to promoting Oregon's innovative approach – particularly our new Intelligent Panel system."

With manufacturing bases in Selkirk in the Scottish Borders, and Burton upon Trent in the English Midlands, Oregon has the capacity to produce 2000 units per year and has both FSC and PEFC Chain of Custody certification.

ENDS

Editors Note

The Oregon Intelligent Panel (IP)[™] comprises highly insulated, closed, structural timber panels, and is targeted at the volume housing market. Its energy efficient performance will make a significant contribution to the delivery of cost effective, sustainable construction, meeting the demands of both the Scottish Building Standards and Code for Sustainable Homes in England.
